OK Mom and Dad, this is it. These four years flew by, and now here she is, earning her diploma! Take the time to relax and enjoy this important milestone. The Video Man® Productions will professionally video record the Baccalaureate Mass on June 12<sup>th</sup> and entire Graduation on June 13<sup>th</sup>. You don't need to bring your camcorder and watch everything through a little viewfinder from your seat. No need to worry about that blinking low-battery indicator! We'll have it covered, creating a priceless keepsake for you and your family. Just think how great it will be in years to come when your daughter and your grandchildren look back on this memorable event in motion pictures and sound! Family who couldn't attend will be able to share in the moments. The DVD is delivered directly to you by USPS First Class Postage to the address you specify. Prices include sales tax.
