## OUR MISSION

Our mission is to inspire passion for the art of dance, while developing self-esteem, self-expression, and self-motivation.

With this commitment, we ensure our students become strong and confident dancers. We strive to have a fun and safe environment where teamwork, character and values are learned. Our goal is to develop beautiful performers, leaders in our community, but most importantly, memories and friendships to last a lifetime. Our instructors have been carefully chosen based on their commitment to our school's mission; including to positively motivate and challenge students at every level.

## WELCOME

Good afternoon! Welcome to our ninth annual recital titled 90's On 9. Do you remember recording your favorite song from the radio? Or your first Discman? This year's performances will take you through the decade that brought us from cassette tapes to five-disc changers. Whether you prefer alternative, grunge, pop, hip hop or R&B hits from the 90s we've got you covered! Kickback chillax and enjoy the show. We hope you think our fly moves are off the hook!

**\*\*Please turn off cell phones during the performance. Filming is prohibited! Cell phone screens are a distraction to the performers and obstruct other patron's view. Studio parents will receive a link via email to the recital video when editing is complete. If you need to exit the theater, please do so between routines.**

## GRADUATES

Congratulations class of 2025! We wish you all the best as you move on to pursue your life goals. There is no doubt you will both be successful in college and beyond. You always have a home at GIM. We are so proud of you!

**Amanda Ernst** - I will never forget your beaming smile the first day I had you in class. A bubbly blondie with a sparkle in your eyes and a true love for how dance made you feel. You worked diligently to reach your goals in dance and I know you will do the same in your future career. Your essay on how dance impacted your life brought me to tears! It's been such an honor to watch you blossom into the young woman you are today! Come visit us! Best of luck as you head to Quinnipiac! I Love you!

**Rachel Kearney** - From your first hip hop audition to Hair by Little Mix to teaching your own class is something to be so proud. You have always been one to jump in and try new things with no fear. Continue with that confidence as you move on to college and you will undoubtedly reach any goal you set for yourself. What a wonderful journey it has been to watch you grow as a dancer and a woman. I will cherish all the memories we made. Be sure to visit us! Wishing you all the best at West Chester! I love you!
