GRACE IN MOTION SCHOOL OF DANCE
SEASON 10

OUR MISSION

Our mission is to inspire passion for the art of dance, while developing self-esteem, self-expression, and self-motivation.

With this commitment, we ensure our students become strong and confident dancers. We strive to have a fun and safe environment where teamwork, character and values are learned. Our goal is to develop beautiful performers, leaders in our community, but most importantly, memories and friendships to last a lifetime. Our instructors have been carefully chosen based on their commitment to our school's mission; including to positively motivate and challenge students at every level.

WELCOME

Good afternoon! Welcome to our tenth annual recital titled A Decade in Motion. Ten years of a dream come true! It has been an honor and privilege to have such wonderful students and families walk through our doors year after year. We hope you enjoy this year's selection of music chosen by our talented instructors.

****Please turn off cell phones during the performance. Filming is prohibited! Cell phone screens are a distraction to the performers and obstruct other patron's view. Studio parents will receive a link via email to the recital video when editing is complete.**

2026

Well, here we are. The day we have been trying not to think about has finally arrived. Watching you grow not only as dancers, but as individuals has been one of the greatest privileges. You have filled our studio and hearts with the best memories! Thank you for the laughter you have brought into the studio, the inside jokes, the unforgettable performance moments, and even the occasional chaos. While your time here may be coming to an end, the impact you have made will remain. As you move on to your next chapter, we hope you carry with you the confidence, discipline, and creativity that dance has helped you cultivate. Congratulations Graduates! We can't wait to see where your journey takes you. Family always! Love you!

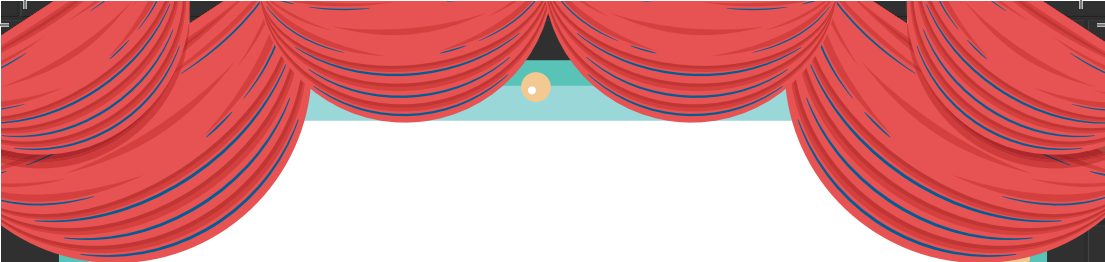

Maiella Apel - What a journey it has been! I still remember your first class with me. Your huge smile and big brown eyes twinkling with excitement. You could not wait to do your thing! Your love for dance grew fonder and you joined the team with even more excitement in your eyes and heart. I am so happy to have been part of your story, and I can't wait to see your next chapter unfold. Best wishes at Stockton! Love you!

Abby Connolly - From tiny tot to assistant, it has been a pleasure to watch you grow up at the studio! Being part of your journey for so many years has been a true gift. You have always had a confidence about you that I know will take you far in this world. Keep your dance memories close to your heart. Although you will be far, know we are just a phone call away! Best of luck at Clemson! Love you!

Nicolette Corrao - I cannot believe how fast time flies! I knew from your very first hip-hop class Pump Up the Jam, that you loved my favorite style too! What a blessing it has been to watch you grow up at the studio! Always remember the life lessons being a dance student has taught you. Wishing you all the best as you head to the University of Rhode Island! Zia loves ya!

Rachel Langer - We could do short and tall jokes for days! I'll never stop trying to reach your shoulders! It has been so awesome watching you grow up into a wonderful young woman. I will cherish every memory we have made together, and I hope you do too! Do big things at Stockton! I'll be cheering you on and waiting for you to visit me! Love you!

Keara McAllister - My last Golden Girl! We have had so many fun class moments that I will never forget! Old lady wigs, mini parties, theme nights and the many girl talks. I hope you can forgive all the times I called you Kelsey, lol! Keep those knees healthy as you walk around the Stockton campus! Always here for you kid! Now go spread your wings! Love you!

Brielle Selby - I was so happy to welcome you back to class after a short break. It has been a pleasure to be your teacher and to get to know your kind heart. Your sweet and sunny disposition brought so much joy to our class every week. I just know you will be the most compassionate and caring nurse in the future. Best of luck at Ocean County College!

Kaylin Schroeder - I remember the day I found out you were moving back to NJ! My first question...does she want to come back to dance? We were thrilled to have you back and so happy we got to make more memories together. I know the path you chose for your future will be the perfect fit for you! You are mature, responsible and have a loving heart. Good luck at Stockton babe! Love you!

Taelyn Szafranski - Your humor and bubbly personality will surely be missed at the studio. Seeing you grow as a dancer and a young woman through the years has been an honor. You are a wonderful role model for your sisters and teammates that look up to you. I hope your dance memories stay in your heart forever!
